TUBE/TRAINS/DLR

London Underground, London Overground and the Docklands Light Railway (DLR) all have extra services on Marathon Day, and they are by far the best way to get around.

Tube services in central areas will be running as usual, but please be aware they may be extremely busy. The Jubilee, Circle and District lines, and DLR, have stops close to the marathon route and are likely to be busier than usual.

BUSES

Buses travelling on roads affected by the marathon will either be diverted or will not run the full length of their route until after the event.

To find out more, visit tfl.gov.uk/bus/status

SANTANDER CYCLES

Some Santander Cycles docking stations located on the marathon route will be suspended from Saturday evening until Sunday evening.

RIVER SERVICES

Thames Clippers will be running services from central London to Greenwich Pier, where it's just a short walk to the Start at Blackheath/Greenwich Park. For more information, visit thamesclippers.com

Visit tfl.gov.uk or follow @TFLTravelAlerts on X (formerly Twitter) for live updates.

WATCH THE ACTION

You can watch the action live on the streets of London and on the BBC.

Please plan your day carefully and be aware the following areas on the route are always extremely busy: Greenwich town centre, Cutty Sark, Tower Bridge, Canary Wharf, Limehouse and everywhere from Victoria Embankment to the Finish Line on The Mall.

Event motorcyclists, assisted by stewards, will be available to guide vehicles along Westferry Road when it is safe to do so before 09:00 or after 16:30

only. Drivers will be unable to return to Westferry Road until the roads are fully reopened.

ROTHERHITHE

In conjunction with Bacon's College, there will once again be a scheme that will enable residents of the Rotherhithe Peninsula to exit the area while the event road closures are in place.

Bacon's College on Timber Pond Lane will provide a free, secure, overnight parking facility on its premises for use by local residents. The car park will operate from 16:00 on Saturday 20 April until 17:00 on Sunday 21 April. Residents can leave their cars securely parked and return on foot at any time during the road closure period to collect vehicles and exit the peninsula.

From the college, the route out is via Timber Pond Road, Poolmans Street, Needleman Street, Surrey Quays Road and Lower Road. Residents requiring access should use Hawkstone Road, Lower Road, Surrey Quays Road, Needleman Street, Poolmans Street and Timber Pond Road and may leave their cars at Bacon's College until the roads reopen.

PARKING RESTRICTIONS

Please assist us by parking your vehicle off the route on the evening of Saturday 20 April.

Vehicle removals will start at 05:00 on Sunday 21 April on the route.

If your vehicle is relocated by event contractors, visit trace.london to find it.

Thank you for your cooperation and understanding.
